#### **Workshop on Inventing & Redefining Entrepreneurial Skills**

The "Workshop on Inventing & Redefining your Entrepreneurial Skills" was conducted as part of Intellectia '23, a two-day Entrepreneurial event hosted by IEDC MES Ponnani College in collaboration with IEDC MES KVM, Valanchery and IEDC Ansar Arabic College, Valavannur. The program was held on 24th January 2023, at MSK Hall, MES Ponnani college. The workshop was led by Nitheesh Kurian, Assistant Professor and IEDC Nodal Officer at Rajagiri School of Engineering & Technology (Autonomous), Kochi, Ernakulam.

The program began with a welcome address by Murshida Parwin, the Chief Social Officer of IEDC, followed by a presidential address by Ms. K. Nusrath, the Nodal Officer of IEDC. The inaugural address was delivered by Dr. V. U. Ameera, the Principal of the MES Ponnani college.

The workshop focused on the topic of inventing and redefining entrepreneurial skills, and was well received by the audience. Felicitations were given by Mr. K. M. Riyas, the Secretary of the Staff Club and Dr. V. K. Brijesh, the Head of the Department of Geology. The event concluded with a vote of thanks by Julfar T, the CEO of IEDC.

Overall, the workshop was a success and provided valuable insights and practical skills to the participants.

## Research Methodology Workshop Report

Date: March 24, 2023

Venue: Language Lab

Organized by: P.G. Department of Economics

Audience: Postgraduate 4th Semester Class

Resource Person: Dr. M.P. Nisar

### Objective:

The Research Methodology Workshop conducted by the P.G. Department of Economics aimed to equip the postgraduate students with essential skills in utilizing SPSS (Statistical Package for the Social Sciences) for data analysis in their research projects.

### Workshop Content:

**Introduction to SPSS:** The workshop commenced with an overview of SPSS, its features, and its significance in empirical research in economics.

**Data Input and Management:** Participants learned how to input data into SPSS, including various methods for data entry and techniques for data management and cleaning.

**Descriptive Statistics:** The workshop covered descriptive statistical analysis techniques such as mean, median, mode, standard deviation, and frequency distribution using SPSS.

**Inferential Statistics:** Participants were introduced to inferential statistical techniques including t-tests, ANOVA, regression analysis, and chi-square tests, and how to perform these analyses using SPSS.

**Interpretation of Results:** Emphasis was placed on interpreting the output generated by SPSS, including understanding p-values, confidence intervals, and effect sizes.

**Hands-on Practice:** Throughout the workshop, attendees had hands-on practice sessions to apply the concepts learned using sample datasets provided by the instructors.

### Facilitators:

The workshop was facilitated by experienced faculty member Dr. M.P. Nisar from the P.G. Department of Economics, Asmabi College, Kodumkallur who provided comprehensive guidance and support to the participants throughout the sessions.

### Feedback and Evaluation:

At the conclusion of the workshop, participants were given the opportunity to provide feedback on the content, delivery, and overall effectiveness of the workshop. The

feedback collected will be used to further enhance future workshops and training programs.

**Conclusion:**

The Research Methodology Workshop on SPSS conducted by the P.G. Department of Economics was a resounding success, providing valuable knowledge and practical skills to the postgraduate students for their research endeavors. The workshop served as an essential platform for enhancing research capabilities and fostering a deeper understanding of statistical analysis using SPSS. Such initiatives are vital for nurturing a culture of research excellence among students and faculty alike.

## **Workshop Report: SPSS Essentials: A Comprehensive Workshop**

### **Introduction:**

On 8th June 2023, the Department of Commerce and Management Studies at MES Ponnani College, in association with the Innovation and Entrepreneurship Development Cell (IEDC) and the Institution's Innovation Council (IIC), organized a one-day workshop on SPSS essentials. The workshop aimed to equip postgraduate students of the department with essential skills and knowledge required for data analysis using the Statistical Package for the Social Sciences (SPSS) software. The workshop took place at the Commerce Seminar Hall and was conducted by Ms. V T Sini, a renowned Research Scholar from the Department of Commerce at MES Keveeyam College, Valanchery.

### **Workshop Objectives:**

The workshop had the following objectives:

- a. Introduce students to SPSS and its capabilities for data analysis.
- b. Provide hands-on training on various SPSS tools and techniques.
- c. Enhance participants' understanding of statistical analysis concepts.
- d. Foster critical thinking and interpretation of data results.
- e. Encourage the application of SPSS in research projects and dissertations.

### **Workshop Details:**

- a. Date: 8th June 2023
- b. Venue: Commerce Seminar Hall, MES Ponnani College
- c. Participants: Postgraduate students of the Department of Commerce and Management Studies
- d. Resource Person: Ms. V T Sini, Research Scholar, Department of Commerce, MES Keveeyam College, Valanchery
- e. Coordinators: Mr. Rafeeque MT and Ms. Raheena K.M.

#### Workshop Activities:

The workshop comprised a series of interactive sessions and practical exercises designed to enhance participants' understanding and hands-on experience with SPSS. The schedule of the workshop included the following activities:

##### a. Inaugural Session:

The workshop began with an inaugural session where Mr. Rafeeq MT and Ms. Raheena K.M., the coordinators of the program, welcomed the participants and introduced the resource person, Ms. V T Sini. Dr. Siji Verghese. V, Head of the Department formally inaugurated the session and gave an overview of the workshop's objectives and the importance of SPSS.

##### b. Introduction to SPSS:

Ms. V T Sini provided an in-depth introduction to SPSS, highlighting its features and functionalities. She explained the significance of using SPSS in the field of research and data analysis, emphasizing its user-friendly interface and versatility.

##### c. Hands-on Training:

Participants were then guided through various practical exercises to familiarize themselves with SPSS. Ms. V T Sini demonstrated how to import datasets, perform data entry and cleaning, and conduct basic statistical analyses using SPSS. Participants actively followed along and practiced these techniques on their own computers.

##### d. Advanced Techniques:

Following the introductory sessions, the workshop progressed to cover advanced topics such as hypothesis testing, correlation analysis, regression analysis, and ANOVA using SPSS. Ms. V T Sini provided step-by-step instructions and explained the interpretation of results, enabling participants to gain a deeper understanding of statistical analysis.

##### e. Case Studies and Discussion:

To encourage critical thinking and application of SPSS, the workshop included case studies and group discussions. Participants worked on real-world scenarios and analyzed data using SPSS, leading to insightful discussions on data interpretation, limitations, and the importance of contextual analysis.

f. Q&A and Conclusion:

The workshop concluded with an interactive Q&A session where participants had the opportunity to clarify doubts and seek additional guidance from the resource person. Ms. V T Sini provided valuable insights and suggestions for further learning resources related to SPSS. Ms. Naseeha of Second Semester M Com proposed the vote of thanks.

Conclusion:

The workshop effectively equipped postgraduate students with the fundamental skills required for data analysis using SPSS. Ms. V T Sini's expertise and interactive teaching style ensured that participants gained practical knowledge and a solid foundation in statistical analysis.

The workshop not only enhanced the participants' understanding of SPSS but also instilled confidence in them to apply these skills to their research projects and future endeavors.

Overall, the SPSS essentials workshop served as a platform for knowledge exchange, skill development, and collaboration among postgraduate students, further strengthening the academic ecosystem of MES Ponnani College.

create awareness related to Business Model Canvas to our students and faculties and discuss the different templates for developing new business models. This workshop enlightens the early stage entrepreneurs and promotes the participation of students and faculties in campus. The resource person Mr. Mohammed Roshif U, Assistant Professor in Management Studies of Malabar College of Advance Studies, Vengara gave a general awareness of Business Model Canvas. The focus of the workshop was to create awareness related to Business Model Canvas to our business students and to learn about different templates for developing new business models. In this workshop, he discussed various business model canvases for developing new business models and documenting existing ones. He also explained how we can make a new business model by simply aligning our business activities creatively and simply. Malabar College of Advance Studies, Vengara signed an MOU with the college. 110 members of Kaizen Business Forum (students of the Department of Commerce and Management Studies) were attended this session. At the end of this workshop a hands-on training session was conducted for fostering the understanding, discussion, creativity, and analysis of business students. Students learned how the Business Model Canvas had been printed out on a large surface. So that 10 groups of students were jointly started sketching and discussing about various business model elements with chart paper, sticky notes and Schaech pens or markers. It was an interesting and informative experience to the students who participated in this workshop. Dr.Asha K Moideen, Coordinator of Kaizen Business Forum (Assistant Professor in Business Administration) gave the opening remarks. Dr. Siji Verghese V (HoD) delivered the presidential address and Dr. Ameera V.U, Principal of M.E.S Ponnani College delivered an inaugural address and Mr. Jahfar A (Assistant Professor) has given the vote of thanks.

The Department of Commerce and Management studies, MES Ponnani College, Ponnani conducted a seminar on the Role of Logistics in Business" in association with Kaizen Business Forum, IEDC and IIC on 13<sup>th</sup> October 2022 at 12.00 pm at Seminar Hall, Amir Block, MES Ponnani College. The objective of the seminar is to understand the role of logistics in business to our students. Mr. Rahman, Trainer of Frontline Academy of Logistics and Mr. Bhuvanesh Kumar, Team Leader of Frontline Academy of Logistics were the resource persons of this programme. In this session they explain how logistics is important to a business? They mentioned that the logistics process helps in the production and distribution of goods or services. It plans, optimizes and manages all the necessary steps to achieve more agility in the transportation industry. Therefore, logistical process is the core element of supply chain management of a business. 65 students of 3<sup>rd</sup> semester BBA were attended this session. Dr. Asha K Moideen, Coordinator of Kaizen Business Forum and Assistant Professor in Business Administration, MES Ponnani College was the Coordinator of this event gave welcome note and Dr. Siji Verghese V (HoD) Assistant Professor in the Department of Commerce and Management studies delivered the presidential address. Mr. Mujeeb Rahman, Dean of Frontline Academy of Logistics was inaugurated this session and Ms. Muneera K (Assistant Professor in Commerce) has given the vote of thanks.

## REPORT OF WEBINAR ON

### RESEARCH ASPIRATION THROUGH TECHNOLOGY

The Department of Commerce & Management Studies organised a State Level Webinar on Research Aspiration through technology in association with IEDC and IIC of MES Ponnani College held on 17<sup>th</sup> March 2023 at 7.00 pm to 8.45pm. The programme started with an opening remark delivered by Ms Thanzeela Ebrahim K, Assistant Professor, Department of Commerce & Management Studies and Co-ordinator of webinar organising committee, followed by welcome address from Dr Siji Verghese V, Head & Assistant Professor, Department of Commerce & Management Studies.

Dr Ameera V U inaugurated the function and key note address was given by Chief Guest, Dr Princy Francis. The formal function was followed by a technical session on the topic '*Research aspiration through technology*'. The objective of the programme is to provide a platform to gain newer insights while selecting innovative research topic, *Problem formulation and review of literature, Measurement scaling and various tools & techniques for research* as well for PG students and Research scholars. The Resource Person was Dr. Princy Francis, Assistant Professor & Research Supervisor, Research Department of Commerce in MES Asmabi College, P Vemballur.

The Resource Person have shed light on various research methodologies that are used to conduct research in different fields. She has explained the importance of choosing the right research design, selecting appropriate sampling techniques, data collection methods, and data analysis techniques. Their presentations were informative, engaging, and thought-provoking. She has provided us with a better understanding of research methodology, which will undoubtedly benefit us in the future endeavors. Students were able to understand the creativity in choosing a suitable research topic. The session ended with formal vote of thanks by Ms Fathima Nasrin V, II MCom and Student Co-ordinator of webinar of Research Methodology organizing committee.

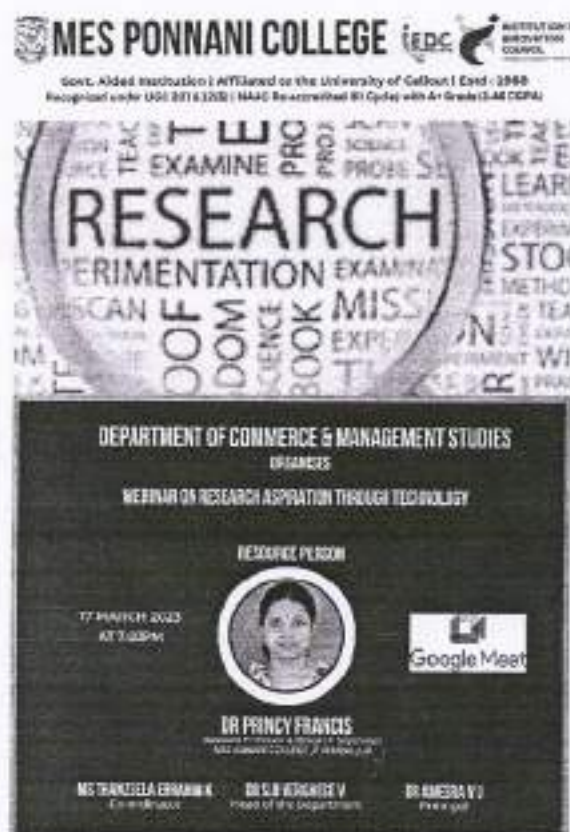

Dr. SIJI VERGHESE V  
M.Com, B.Ed, NE & Ph.D.  
Assistant Professor & Head  
Dept. of Commerce & Management Studies  
MES Ponnani College  
Ponnani South - P.O., Malappuram  
Kerala - 679586, India

The webinar was attended by around 60 participants. The programme was conducted through google meet and streamed through You Tube channel of MES Ponnani College. E certificate were provided for all participants. Feedbacks were collected from the participants at the end of the session. We would like to place on record, our sincere gratitude to our Principal, Dr Ameera V U for her guidance & motivation. We also thank our Head of the Department, Dr Siji Verghese V for her constant support and regular coordination with our team. We thank all Faculty members for their cooperation to make the programme successful.

### Activity Report of ED Club August 2022

ED Club, MES Ponnani College in association with Department of Commerce organised A Talk on **"Angel Investment: Opportunity for Early-Stage Entrepreneurs"** on 8<sup>th</sup> August 2022 at MSK Hall. The program started at 10.00 A.M. All the Faculties and students in the Department of Commerce and members & Coordinators of ED Club participated in the program. The Resource person was Sri Lorance Mathew, Assistant District Industries Officer, Ponnani Taluk. The welcome address was given by Dr Siji Verghese V, HOD, Department of Commerce. Dr Ameera V U, Principal, MES Ponnani College presided over the function. They explained the importance of angel investment with example. Sri Lorance Mathew, Assistant District Industries Officer, Ponnani handled the technical session. He explained very widely about angel investment and its opportunities. The session was very informative to the participants. Sri K M Riyas, Secretary, Staff Club felicitated the program. Smt Muneera K Coordinator, ED Club handed over the memento to the Resource Person for a token of appreciation. After that, Sri jahfar A, Joint Coordinator, ED Club delivered the vote of thanks.

#### Report of the program (a minimum of 200 words)

Department of Physics of MES Ponnani college Organized the invited talk on 24th February 2023 at 10:00am as a part of the inauguration of the association of Physics of MES Ponnani college. The welcome note was given by Dr K Jayakrishnan (HOD of the Dept) by reviewing the contributions of the Physics Dept in enhancing the science arena of the college and introduced the guest Sri Sarath Prabhav as a science educator, amateur astronomer and a Astrophotographer. Dr V U Ameera pointed out the relevance of giving proper information and curiosity about science in the young minds and how the dept of physics have succeeded in making it true. In his Inaugural address, Sri Sarath prabhav introduced himself and addressed the physics fraternity. He gave glimpses of the sessions he was about to deliver. The talk began from 11:05 am starting with the basic concepts in Astronomy. Using a well arranged Powerpoint Presentation, he explained how astronomy evolved, the significance of astronomy in various fields, how it influenced the lifestyle and habitat of ancient humans describing its evolution step by step, Its relation with the birth and in deciding the zodiac sign. He also discussed about constellations, their names as given in the ancient Hindu mythology etc. He made clear about the misconception about astronomy and astrology among people, how astrology -the pseudo-science is connected with but different from that of astronomy. He ended the astronomy talk by giving a beautiful, meaningful comparison of the humanity with the universe making everyone aware of how small we are just present on the pale blue dot by quoting the words of Carl

Sagan. Then in the astrophotography session he explained the basics in photography, about the parameters which must be set to bring a photograph of our interest by giving appropriate images as examples. Then he entered in to the astrophotography, how technique named stacking make an astrophotograph look amazing citing the beautiful astrophotographs of his own and mentioned the important things to be noted while taking an astrophotograph, how to add a creative touch in photography were all well explained by him. The session by all, its means was really a fruitful and perfectly explained one, as it brought curiosity and creativity in the young Passionate minds and novel information and facts about the universe.

### Report of the program

Department of Physics conducted an invited talk in collaboration with IIC on 07<sup>th</sup> February 2023 at 10.30. pm on the topic Energy Conservation measures for everyday life. Sabna. M, Coordinator of the program described how energy conservation measures is directly connected to global warming and hence existence of human

beings on earth, in her opening remarks. Principal in charge Dr. A. R. Sina congratulated the department for conducting sessions of this kind which is beneficial for all student community. HoD Dr. K. Jayakrishnan explained about the various non-conventional energy sources and the need of an alternative source to replace the fossil fuels. The resource person Sri. Royson. I Cheeran detailed about the non-conventional energy sources like fossil fuels, solar energy, wind energy, geothermal energy, and energy from biomass, tidal energy, nuclear energy, hydroelectric energy and hydrogen fuel cells. He also pointed out about the subsidy the government provides for the installation of house hold photovoltaic panels and solar water heaters. Towards the end he discussed about the tips on household energy conservation, which was very informative and he also advocated the whole teacher and student community to practice it, which could bring a great change in house-hold energy consumption

### Objective of the Event:

*The objective of celebrating National Space Week in college is to foster awareness and interest in space exploration, science, and technology. It provides a platform for students to engage in activities, discussions, and events related to space, promoting education and enthusiasm in this field.*

### Benefits:

*The celebration of National Space Week in college provides several benefits. It promotes awareness and interest in space exploration, inspiring students to pursue careers in this field. It fosters a sense of scientific curiosity, encourages teamwork through space-themed events, and showcases the importance of space research in technological advancements.*

## Report of the program

In association with international space week celebration department of Physics conducted a seminar on James Webb telescope on 28/10/2022 at 10 am on MSK Hall of MES Ponnani College. Dr. Vivek M, Assistant Professor of Indian Institute of Astrophysics was the keynote speaker of the Programme. Dr Ameera U, Principal MES Ponnani College Inaugurated the programme. Smt. Sreeja Lakshmi, S was the coordinator of the programme.

In technical session Vivek explained the parts of JWST in detail with all its application in detail. He also took a session on ' Job opportunities in the field of astrophysics'. There was an interaction session at the end of the programme.

The programme was a great success. One hundred and thirty students actively participated in this programme.

## Report of the program

In association with the Institution Innovation Council (IIC) and Research Promotion Council of MES Ponnani College. The Department of Physics Organized a one-day workshop on graphing and Imaging for publications and presentations on 18-10-2022. The program started at 9.30 am with introductory remarks by Dr.K.Jayakrishnan, HOD, Physics. The faculties of the

department of physics managed the hands-on training and there were 39 participants in the session including research scholars, faculties, and postgraduate students.

**Dr. Masroor C. P. handling session on Understanding the universe- Current Status**

Report of the program ( a minimum of 200 words)

The International seminar on 'Understanding The Universe: Current Status ' was organized under the auspices of 'Meet The Alumnus' wing of Department of Physics on 27/06/2022. Dr. Masroor C. P. post-doctoral fellow, Yukawa Institute of Theoretical Physics, Kyoto University, Japan was the resource person. In the opening remarks he mentioned that last couple of decades have been the golden age for cosmology and added up that high quality data confirmed the broad paradigm of standard cosmology but have trusted upon us a preposterous composition for the universe which defies any simple explanation, thereby posing probably the greatest challenge theoretical physics has ever faced. He also pointed out that Understanding the universe's birth and its ultimate fate are essential first steps to unveil the mechanisms of how it works. This, in turn, requires knowledge of its history, which started with the Big Bang and explained the time evolution of the universe and the theories pertaining to it. He also introduced his institute and research opportunities for the theoretical physics aspirants. There was fruitful interaction from the students and the resource person patiently cleared all their queries. The session lasted for two hours and was highly effective in content transaction and instilling motivation among the students

# **WORKSHOP ON RESEARCH METHODOLOGY FOR FINAL YEAR LIFE SCIENCE STUDENTS**

## **(REPORT)**

Department of Zoology in association with Institution's Innovation Council (IIC) organized a Workshop on Research Methodology for final year Life Science students. The program was conducted on 16<sup>th</sup> February 2023 at Room No-201 (III B.Sc., Zoology Class Room). The program was started 10am and concluded at 2.30pm. Mr. Ashif. KK, Research Scholar, Jamal Mohamed College, Trichy interacted with the students. He has emphasized the importance of research methodology while doing the final year projects. Dr. VU. Ameera, Principal, MES Ponnani College inaugurated the program. Final year Zoology and Botany students has actively participated in the event. Dr. K.M. Shereena, Assistant Professor & Head, Department of Zoology delivered the presidential address. Mr. Athif. P, Assistant Professor (Ad Hoc), Department of Zoology delivered the welcome address and Mr. Thanveer. P, III B.Sc. Zoology student proposed a vote of thanks.

## WORKSHOP ON ART OF BONSAI MAKING & HERBARIUM TECHNIQUES

In association with Institution Innovation Council (IIC), Department of Botany, MES Ponnani College, Ponnani conducted a training program on "Art of Bonsai Making & Herbarium Techniques" on 27.01.2023 for I<sup>st</sup> & III<sup>rd</sup> UG students in the conference hall. The aim of the workshop was to introduce the concept of Bonsai Preparation and understanding the significance of dry preservation and the preparation and maintenance of Herbaria. Dr. Shinoj K. Assistant Professor, Department of Botany, Kerala Varma College, Thrissur was the resource person. The session was commenced with a welcome speech by Ms. Rahna Mumthas (III B.Sc. student) followed by the talk on Herbarium by Dr. Shinoj K. Forty-six students of B.Sc. Botany benefitted from the program. Different steps involved in Herbarium preparation were also discussed. All these topics were conferred along with images in a PowerPoint presentation. In the second half of his talk, he discussed and showed images of various types of Bonsai plants. They were able to understand the techniques for making a good Bonsai plant. The session was attended by the faculties of Botany Department also (Dr. Musfir Mehaboob V., Dr. Soumya P., & Ms. Rinsha Shirin C R). During the final session, few students also expressed their views and gave feedback on the training program. The session ended with vote of thanks by Mrs. Rajeena Razak (III B.Sc. Student).

## Report of Seminar on Research Methodology

Department of English organised a talk on Research Methods in Projects on the title,

"Pruning and Tuning, An Introduction to Project Writing Techniques". on 01/08/2022. Dr. Anas Babu, Assistant Professor, Department of English, Dr. Gafoor Memorial MES Mampad College led the session. He elaborated on the topic and helped the students to identify various nuances associated with project writing. Students of the final year class attended the session and the session proved as a great initiation for their project writing. The session was insightful and interactive.

## **Report of webinar on Intellectual Property rights and Copyright**

The Department of English, in association with The Intellectual Property Right Cell (IPR Cell)- KAPILA, IEDC and IIC , M.E.S. Ponnani College, Ponnani, Malappuram, Kerala, organised a webinar on 'Intellectual Property rights and Copyright', under National Intellectual Property Awareness Mission (NIPAM), on 22nd March 2023, Wednesday, 11.30 pm. Ms Ruchi Kumari, NIPAM officer, and examiner of Patents and designs, Patent office, Chennai was the resource person. The programme began with the Welcome note by MS Farisha VM, Programme Coordinator. The Programme began with a silent prayer. Ms Anupama Murali, Head, Department of English, delivered the Welcome address and Dr Ameera V.U, Principal, MES Ponnani College rendered the keynote address. The programme was interactive and the students shared their doubt and clarification with the resource person. The programme ended with the vote of thanks proposed by Dr Reshmi Ravindran P, Faculty, Department of English.

Orientation session on Intellectual Property Rights titled, ***The Problem of Plenty, Branding and Rebranding Oneself*** on 06 January 2023

The department of English and Institution's Innovation council (IIC) jointly organized an Orientation session on Intellectual Property Rights titled, "The Problem of Plenty, Branding and Rebranding Oneself" on 06 January 2023. The resource person for the seminar was Dr. Antony Joseph, Assistant Section Officer, Mahatma Gandhi University, Kottayam. The session discussed the problem of plenty and elaborated on the importance of assembling society through patterning personal life. The speaker enlightened students on developing personal habits and patterns through various engaging narrations and examples. The session progressed through interactive and activity sessions which convinced the students that we are lost in a sea of abundance and are living in a confused state of mind. The activity session helped the students to assimilate the challenging notions of IPR. The students got their confusions and doubts regarding the technicalities of IPR clarified as the speaker made use of illustrations that can be easily understood by students. The participants were actively engaged in the session and the gradations of IPR were conveyed to the students in an effective manner. The session was presided by Dr. Ameera V.U., Principal MES Ponnani College, in which Ms. Saleema K., Institution's Innovation council joint coordinator, delivered the welcome speech. Mr. Riyas K.M., Secretary, Staff Club, MES Ponnani conveyed felicitations to the gathering and Dr. Reshmi Ravindran P., Assistant Professor proposed the vote of thanks.

**Webinar on 'Anti-Microbial Resistance-Silent Pandemic'**

The webinar was organized by the Department of Chemistry on 22<sup>nd</sup> July 2022 at 11.00 am in google meet. The program was conducted in collaboration with IEDC and Institutions Innovation council, which are instrumental in creating an innovation ecosystem on the campus. The resource person Dr. Reshma Silvester, Post-Doctoral Fellow, School of Industrial Fisheries, CUSAT. As it is a new topic to most of the participants, the resource person introduce the topic and explain in very simple manner. She touched the impact of antimicrobial assistance on health. About 60 participants are there including students and faculty from science departments, alumni and from other colleges. The participants has cleared their doubts on the topic.

**Report of the program**

The webinar on '*Intellectual Property rights and Patent*' was organized by the Deptmt of chemistry in collaboration with Intellectual Property Right Cell (IPR Cell)- KAPILA, IEDC and IIC , M.E.S. Ponnani College on **22<sup>nd</sup> March 2022** at 2.00 pm. The resource person, Dr. A. Venugopal gave a general awareness on intellectual Property Rights (IPR) and explained the various related terms such as copyrights, trademarks and patents. The focused theme was how Intellectual Property Rights restricts copying others ideas and how this will help the development of new ideas for the progress of the society. Around 62 participants including the students from our college and various students and faculty members from other colleges attended the session. Students learnt how IPR provides total control over a new innovation and its creator. They were also given a platform to discuss how small innovations influence societies at large and how they should indulge in innovating and patenting ideas that will be useful for all the classes of individuals in the society. Dr. Vandana P.V, Coordinator, gave the opening remarks. Dr. P. Jayaram delivered the presidential address and Smt. Soumya C.C. delivered the vote of thanks.

[HOD, Department of Data Science & Analytics]

Presidential address : V P Saidalavi  
( HOD, Department of History,  
Coordinator, B.Voc Programme)

Inaugural Address : Jafseer K T  
[Research fellow in Machine Learning algorithms for streaming data  
analysis, Department of Computer Applications, CUSAT]

Vote of Thanks : Ahammed Ajsal Thangal  
[Association Secretary,  
Department of Data Science & Analytics]

#### **Program Schedule**

Inauguration	11.00 am – 11.20 am
Invited Talk on Data and Business Analytics	11.30 am -12.30 pm

#### **Objective of the Event:**

*To make students aware about what is data science and its applications, how it can be used in business.*

#### **Benefits:**

*Understanding the role of data scientist, technology development and artificial intelligence in the benefit of mankind.*

## Report of the program

The seminar was organized by Department of Data Science and Analytics in association with Institutions Innovation Council on 06<sup>th</sup> February 2023 at 11:00 am. The program was conducted in collaboration with the cells like IEDC and the Institutions Innovation council, which are instrumental in creating an innovation ecosystem on the campus. The resource person Mr. Jafseer K T, gave a general awareness of Data Science process and his research experiences, the importance and role of data and business analysis in it. The focused theme was on booming and futuristic technologies like Blockchain, Artificial Intelligence, Robotics, Augmented Reality, Virtual Reality, 3D printing, etc. Students were exposed to all areas of innovative futuristic technologies. 37 students from the Data Science & Analytics department attended the session. K. T Shameema Rahmath, HOD, Department of Data science & Analytics gave the opening remarks. V.P Saidalavi, Coordinator, B.Voc Programme delivered the presidential address and Sri. Jafseer K T delivered an inaugural address.

Name of the Convenor: Rithya K

## ABOUT THE DEPARTMENT OF AQUACULTURE AND FISHERY MICROBIOLOGY

The department was started in 1995 to cater to do the needs of students aspiring to higher studies in the field of fisheries and Aquaculture. Apart from M.Sc in Aquaculture and Fishery microbiology department have completed B.Sc programme in Industrial Fisheries and an innovative Postgraduate program in Fish processing and quality control funded by UGC. An Additional course entitled "Commercial Production of Ornamental Fishes" has also been conducted with assistance from UGC. The department was elevated to a research Centre in 2006 and the department offers Ph.D. programs in the field of Fisheries and aquaculture. Four research scholars have been awarded Ph.D. so far. It is the only department under Calicut University offering the Ph.D. programme in aquaculture and allied subjects.

### Vision

To transform the students into knowledgeable and tolerant human beings towards society and the environment with a sustainable outlook.

### Mission

- To impart sound knowledge in Aquaculture, microbiology, Fish processing & taxonomy
- To give hands-on training in fish culture & value-added products to meet the current employability requirements in the field.
- To analyze & solve the issues in ecology and biodiversity, with special emphasis on wetlands & estuaries through research

## SEMINARS AND WEBINARS

### REPORT OF ONE DAY SEMINAR ON MARINE ECOSYSTEM AND BLUE ECONOMY

PG and Research Dept. of Aquaculture and Fishery Microbiology, MES Ponnani College organized a one-day seminar on *Marine Ecosystem and Blue Economy* in collaboration with Ocean Society of India – Cochin chapter and Institution's Innovation Council on 28<sup>th</sup> March 2023. Dr. Rajool Shanis C.P, Coordinator of the programme welcomed the resource person and the gathering. The Event was inaugurated by Dr. A. A. Zubair, Head of the Department. Dr. Smitha B R, Scientist E, Centre for Marine Living Resources and Ecology (Ministry of Earth Sciences), Kochi handled the session. Dr. Smitha elaborately presented the ocean sciences and explained the importance of biodiversity in the country's economy. She also explained the research and development in the area of ocean sciences. The seminar ended with a vote of thanks by Nisha K.S, Joint Coordinator and Assistant Professor Dept. of Aquaculture and Fishery Microbiology.

## **Report of One-Day Seminar on “Citizen Science Initiatives in Marine Biodiversity Conservation and Monitoring”**

PG & Research Department of Aquaculture and Fishery Microbiology organized a one-day Seminar on Citizen Science Initiatives in Marine Biodiversity Conservation and Monitoring” on 18<sup>th</sup> January 2023 at the conference hall, MES Ponnani College was a highly informative and engaging event. Dr. Rajool Shanis C.P, Coordinator of the program, set the tone by welcoming the resource person and the gathering. The Event was inaugurated by Dr. AA Zubair, HoD & Convenor of the seminar likely provided an overview of the workshop and its importance in the context of marine biodiversity conservation. The technical session led by Padmasree Dr. Ali Manikfan seems to have been a highlight, with a wonderful presentation on marine biodiversity conservation and citizen science initiatives. The mention of Ali Manikfan sharing knowledge about the lunar calendar he created adds an interesting dimension to the seminar, showcasing the interdisciplinary nature of marine science. It's commendable that the seminar focused on citizen science initiatives, highlighting the importance of public participation in marine biodiversity conservation and monitoring. Such events contribute significantly to raising awareness and building a collaborative approach towards preserving our marine ecosystems.

## REPORT OF HIGH FIELD HACCP TRAINING (LEVEL-3)

The Hazard Analysis and Critical Control Points (HACCP) training programme was conducted by the PG Department of Aquaculture and Fishery Microbiology in association with Aspire Technologies. The three-day programme was accredited by Highfield UK and was aimed at providing the participants with an in-depth understanding of HACCP principles and their application in the food industry. The training programme was held from November 14, 15, and 16, 2022, at the venue provided by the PG Department of Aquaculture and Fishery Microbiology. The faculties from Aspire Technologies conducted the classes, and Principal Dr Ameera V U inaugurated the programme. The programme was structured to provide theoretical as well as practical knowledge to the participants. The training programme covered various aspects of HACCP, including the seven principles of HACCP, HACCP plan development, critical control points (CCPs), monitoring and verification procedures, corrective actions, and record-keeping requirements. The programme also covered the legal requirements of HACCP, as well as its application in the food industry. An examination was conducted at the end of the programme to evaluate the understanding of the participants. Overall, the training programme was a valuable learning experience for all the participants.

**REPORT OF THE WORKSHOP ON DATA ANALYSIS USING MS EXCEL**

(Capacity building and skills enhancement initiative by the Department of Computer Science, Computer Literacy Forum and PG Department of Economics)

On February 16th, 2023, the MES Ponnani College PG Department of Economics, in association with the Department of Computer Science and Computer Literacy Forum, organized a workshop on Data Analysis using MS Excel. The workshop was conducted by Professor Saleema.K, who is an experienced faculty member in the field of Computer Science. The objective of the workshop was to provide hands-on training to the participants on how to use MS Excel for data analysis.

The workshop was held in the Computer Lab and was attended by postgraduate students from the Department of Economics. The workshop started at 9:30 AM and continued until 3:30 PM, with a lunch break in between.

The workshop was conducted in a classroom equipped with computers and projectors. Mrs. Ambili S. Assistant Professor and programme Coordinator started the session with a brief introduction to MS Excel and its importance in data analysis. The resource person Ms. Saleema K, Assistant Professor and IIC Innovation Ambassador then proceeded to explain the overview of the MS Excel interface, Different types of data that can be analyzed using MS Excel, various tools available in MS Excel, detailed explanation of various formulas and functions, Pivot Tables Data Visualization using various graphs and charts.

The participants were then given hands-on training on how to use MS Excel for data analysis. They were taught how to create charts, graphs, and tables using the software. The participants were also taught how to use different functions, such as SUM, AVERAGE, and COUNT, to analyze data.

The workshop was very interactive, with the participants asking questions and clearing their doubts throughout the session. The participants were also given assignments to complete, which helped them apply the concepts they learned during the workshop.

The workshop was a great success, with the participants gaining valuable knowledge on how to use MS Excel for data analysis for their academic projects. The workshop was well-organized and conducted by an experienced faculty member, Professor Saleema.K. The hands-on training provided during the workshop helped the participants understand the concepts better. The workshop was a great learning experience for the participants and was highly appreciated by all who attended.

## Report

Workshop on Digital Tools for Academic Research

Date: 27<sup>th</sup> March 2023

Time: 11:00 AM

Venue: Mini Conference Hall, MES Ponnani College

The Institution's Innovation Council (IIC) and Research Promotion Council of MES Ponnani College organized a workshop on "Digital Tools for Academic Research" on the 27th of March, 2023. The workshop aimed to equip participants with the necessary skills and knowledge about various digital tools that can enhance the efficiency and effectiveness of academic research endeavors. The event took place at the Mini Conference Hall of MES Ponnani College.

The workshop began at 11:00 AM with an enthusiastic turnout of students, faculty members, and researchers from various disciplines. The session was conducted by the resource person, Saleema K, Assistant Professor, Department of Computer Science at MES Ponnani College.

Her expertise and experience in the field added substantial value to the workshop.

She explained demonstrated various digital tools and their applications in academic research. She emphasized how these tools can streamline the research process, from data collection and organization to analysis and presentation. The workshop covered a diverse range of digital tools that are readily available for researchers, including reference management software, data analysis tools, collaboration platforms, and more.

The workshop fostered an interactive learning environment, with participants engaging in discussions and asking questions throughout the session. This facilitated a deeper

*Saleema K*

understanding of the tools and the participants were familiarized to use the tools presented and allowed attendees to clarify their doubts.

The Hands-on Demonstrations helped to enhance the practical understanding of participants, live demonstrations of selected digital tools were provided, enabling attendees to see the tools in action and comprehend their user interfaces.

The session concluded with a Q&A segment, where attendees had the opportunity to seek further clarification on the tools presented and their applications. The participants expressed their gratitude to Ms. Saleema K for her informative and engaging presentation.

The event contributed significantly to empowering researchers with the knowledge and tools necessary to navigate the digital landscape of academic research efficiently. The college remains committed to fostering such insightful and skill-enhancing workshops in the future.
