Coordinators: Sabna. M

Joint Coordinators: Minshiya. P, Jumaila. K, Sreeja. S, Muneera. K. M, Asha Neendur

Secretary: Nowra

Joint Secretary: Rana Futhim

Treasurer: Dilshad

Objectives:

The main aim of formulating a Palliative cell in our college is to inculcate a 'Help the Needy' attitude among student community and to develop an empathy towards the suffering mob. The role of students was focused on activities like fund raising, spreading awareness, and providing psychological support to the needy and to accompany the home care unit team.

- A Palliative Induction programme was conducted on 19 September 2022 to make first year students aware of the importance of Palliative cell as well as a session was arranged on 'Introduction to Students Initiative in Palliative(SIP)'. The session was organized in collaboration with Shanthi Palliative Care Thrikavu. Dr. V. U Ameera, Principal inaugurated the function. Shareef. V, Secretary-Shanthi Palliative and Jasim. Hussain, SIP Convenor led the session effectively, instilling empathy and kindness among the students. The Palliative volunteers and office bearers for the academic year 2022-23 was also selected and a new SIP unit was also formulated on the day.

• Observance of World Rose Day

In connection with the observance of World Rose Day, Pratheesha Palliative Cell of the college, organized a session on 'Cancer and Palliative Care' on 30 September 2022. The session was inaugurated by Principal Dr. V. U Ameera. Smt. Sabna. M, Palliative Cell Coordinator made the opening remarks and Miss Rana Futhim, student volunteer delivered vote of thanks. The technical session was handled by, Sri. Salman Valancherry who is a Social Worker, Palliative Volunteer and Nurse. He explained that Cancer is caused by certain changes to genes, the basic physical units of inheritance. Genes are arranged in long strands of tightly packed DNA called chromosomes. He also added that Cancer is the second-leading cause of death in the world. But survival rates are improving for many types of cancer, thanks to improvements in cancer screening, treatment and prevention. He also explained all the different types of prevalent cancers in men and women and it's symptoms. He later added up the importance and relevance of Palliative care in cancer treatment. The session was fruitful in terms of participation and interaction from the part of students.

Report

The commencement of the "Monthly Market for Differently Abled Persons" on August 22, 2023 @ 12.45 pm was the result of a collective endeavour orchestrated by the Kaizen Business Forum, Wings of Fire- Cell for Differently Abled, Institution Innovation Council (IIC), Innovation and Entrepreneurship Development Cell (IEDC), and the Department of Commerce and Management Studies. This collaborative initiative took place in the physical realm at Portico, MES Ponnani College. The event's itinerary boasted a rich diversity of sessions, beginning with a warm welcome extended by Dr. Asha K Moideen, followed by an inaugural address delivered by Dr. Rajool Shanis C.P, the Principal. The occasion concluded with a vote of thanks from Dr. Siji Varghese V. The event stood adorned by the esteemed presence of luminaries such as Dr. Sharina KM (Staff Secretary) and Dr. Jayaram P (IIC President), both of whom graced the event with their felicitations. A significant number of students, faculty members, and individuals not directly affiliated with teaching were active participants in purchasing products from this monthly market. This monthly market featured goods created by people with disabilities such as bath soap, bar soap, tote bags, finishing liquid lotion, umbrellas, etc. Mr. Mohammed Rafi Omanur, Mr. Abdurasik, and Mr. Unnais, three people with disabilities, sold this with the assistance of the members of the wing of fire cell for people with disabilities in our college. Furthermore, the event garnered substantial attention on various social media platforms, as evidenced by the provided links. In summation, the inception of the "Monthly Market for Differently Abled Persons" marks a significant stride towards advancing innovation, entrepreneurship, and social inclusivity. The spirited engagement and involvement of diverse stakeholders serve as a testament to the unwavering dedication to effecting positive change within the community.

EXTENSION ACTIVITY 2022-23

The Department of English at MES Ponnani College conducted an extension activity by distributing children's books to New LP School in Ponnani. The objective of the activity was to promote reading habits among children and to provide them with an opportunity to explore the world of literature.

Activity Details: The activity was conducted on 28th March 2023. A team of five faculties and II-BA English students from the Department of English visited the New LP school in Ponnani. The team was led by Ms Anupama Murali, the Head of the Department of English. They were welcomed by the school principal and teachers. The student Anumodh Nair proposed a welcome address.

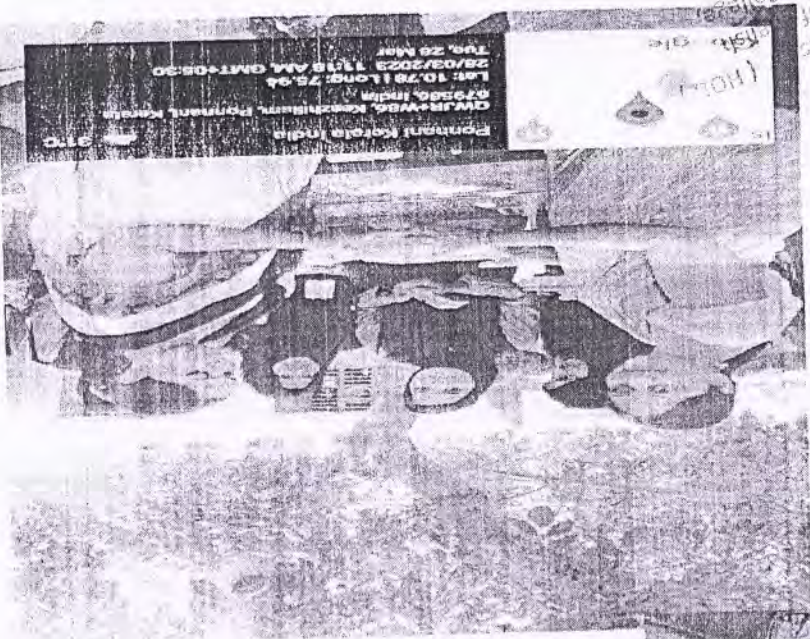

The department distributed a collection of children's books to the students of the school. The books included fairy tales, stories, and poems that were carefully selected to suit the interests and reading levels of the students. The team also provided a brief introduction to the books and encouraged the students to read them.

The team also conducted a storytelling session for the students. They narrated stories from the books and explained the morals and lessons that can be learned from them. The students were excited and engaged throughout the session and actively participated in the discussion.

The department staff also interacted with the teachers and discussed the importance of promoting reading habits among children. They provided some tips and suggestions to the teachers on how to make reading a fun and enjoyable activity for children. Vaishna P of iv standard proposed a vote of thanks.

Anura

The extension activity conducted by the Department of English at MES Ponnani College was a success. The team was able to achieve its objective of promoting reading habits among children. The students were thrilled to receive the books and participated actively in the storytelling session. The teachers appreciated the efforts of the team and expressed their willingness to collaborate with the department in the future.

REPORT ON A DAY WITH HOSPICE CARE

~~REPORT~~

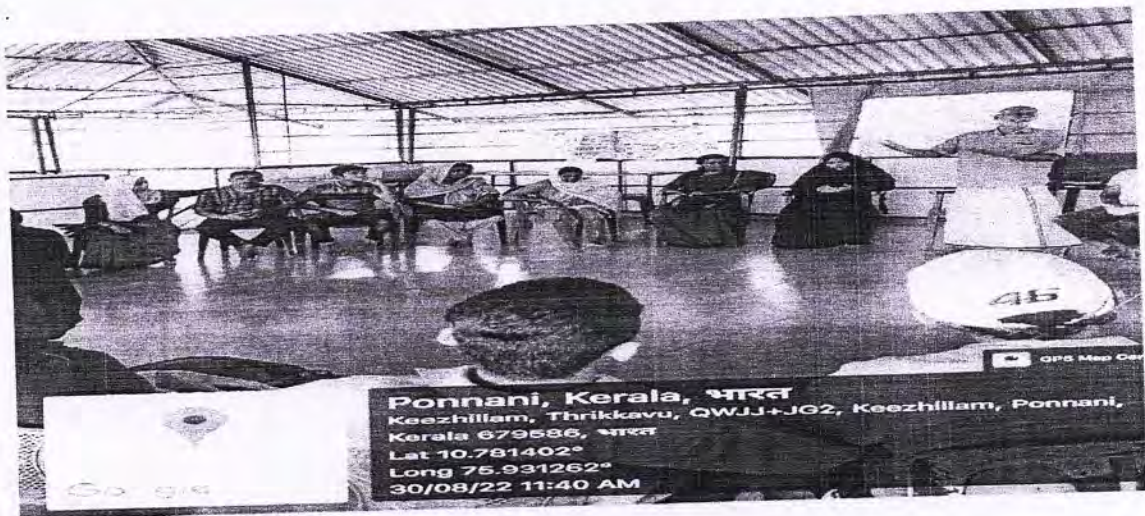

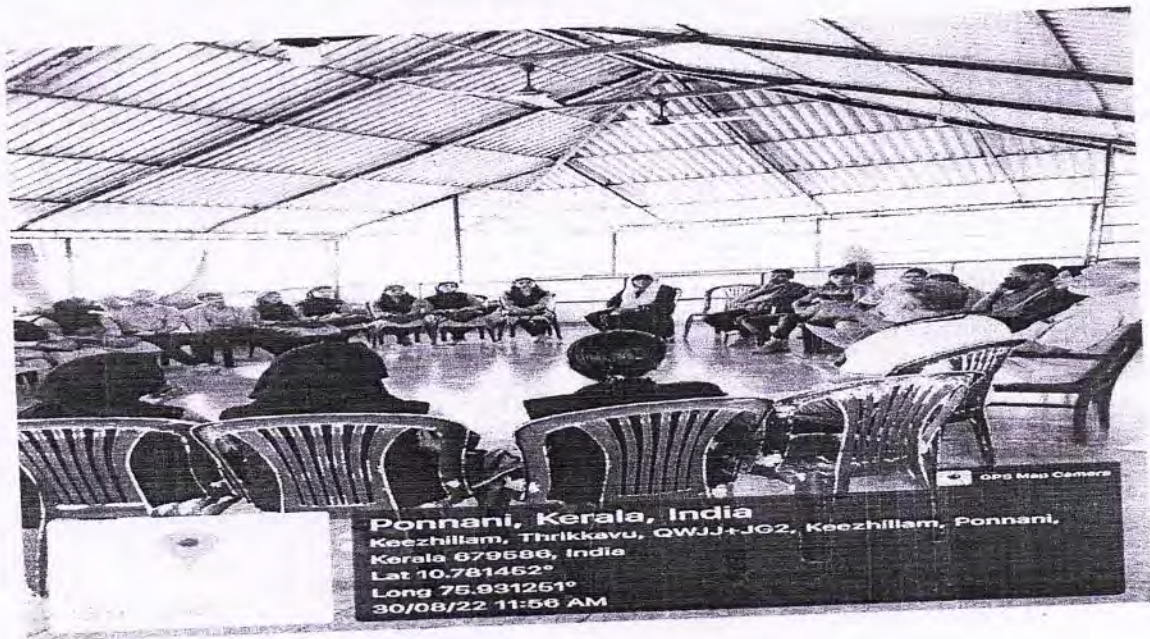

1. As a part of department extension programme the department conducted a one day visit to palliative care unit on 30/08/2022. The objective of this visit was to inculcate human values in the young minds. The department HoD was the coordinator of this event. The second year students and two teachers visited the Palliative clinic and their ECRC at Thrikkavu.

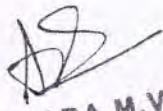

At 10 a.m the students and two teachers reached the center. The students distributed sweets and food to the inmates. The coordinators and workers of this center, Mr Akbar and his assistant explained the working and their problems. That was really a wonderful experience to the students. Many of students expressed their willingness to work with the team and to become student volunteers.

REPORT ON
GIRLS WITH GOALS PROGRAMME

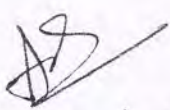

A motivational class was arranged at commerce seminar hall to students of girls with goals. 12 girl students of nearby school whom our department had adopted from 2016 onwards. The programme starts at 2.Pm on Thursday 29/09/2022. The programme started with the welcome speech by our HOD, Dr. M.V Bushara, followed by inauguration by our Principal Dr. Ameera. V.U. After this there was a simple but highly motivation class by V.P Saidalavi, HOD, History Department. There was around 70 participants. The class was highly interesting. After this there was songs of fifth sem students. Then there was distribution of some study materials to these specially invited students. Then we ask them to write their ambition in a paper, ask some general questions and distribute painting kit to those who answer these questions. After this we distribute their fund for study. That is an amount of 30000 rupees to the students. The programme was highly colourful.

REPORT ON
FINANCIAL LITERACY AWARENESS PROGRAMME FOR COMMON PEOPLE

Financial literacy is unavoidable in the present time. Often literate people also lack the knowledge about simple economic matters which are highly useful for daily life. Knowledge related to the saving, investment, expenditure management etc will help us to grow. So that financial literacy as important as literacy.

P.G. Department of economics organized a financial literacy program for common people on 16/08/2022 Tuesday. Around 75 local people were participated in the programme. Program was inaugurated by Principal Dr.VU Ameera and chaired by Dr.M. V Bushra Head of the department. Saneesh .C Assistant professor, Sri vysa NSS college wadakanchery delivered the key note address.

Dr. Saneesh pointed out that saving and investment plays a vital role in financial independence. Most of the participants interacted very actively in the programme.

P.G DEPARTMENT OF ECONOMICS
GIRLS WITH GOALS-ADOPTION OF GIRLS

Women constitute an integral part of socio-economic life of a country. Due to the international Women's year by the U.N in 1975, half of the humanity in every country is connected with development. Women represent the majority of the world's part-time and informal sector workers and have a higher unemployment rate than men.

The uniqueness of the Kerala model lies in the high social development with relatively low economic development. Kerala has made significant achievements in the field of educational and health sectors which are almost comparable to that of developed countries. Moreover, Kerala has been quite different from the rest of the country in terms of the indicators of women development. The sex ratio of the state has been consistently favorable to women and it is the only state where women outnumber men in India. The women of Kerala are in a better position in terms of social development indicators such as education and health. However, in spite of the outstanding achievements in the Human Development and Gender Equality indicators, Kerala experiences one of the lowest female work participation. The objective of this paper is to analyze the current trends in female literacy and work participation rate in Kerala and make a comparison with Indian scenario. It also intended to point out the reasons for the low female work participation in Kerala. A district level analysis has been made on the basis of secondary data. It has reached the conclusion that work participation of females are declining even though female education in the state is progressing. Hence the Government has to take gender policies which are giving prior importance to the

biological role of young women and should provide necessary age relaxation and considerations for women in the case of higher studies and job market.

The declaration of the international Women's year by the United Nations General Assembly in 1975 could be considered a turning point. Since then it has come to be recognized that half of humanity in every country is connected with development. Women represent the majority the world's part-time and informal sector workers and have a higher unemployment rate than men. According to Human Development Report 1.3 billion poor peoples in the developing countries is in poverty, out of which 70 percent are women. It is becoming more evident that the majority of the poor in the developing world are women. Poverty among rural women is growing faster than rural men. The above figure clearly point out that the deprivation of women often termed as the "Feminization of poverty". It seems that the major cause of the backwardness of women is only by the meager participation on economic activities due to their low educational activities.

Human capital is a complex theoretical concept that is not defined in a uniform manner. In its most general form, it refers to the resources in people. It has been defined by the OECD as "the knowledge, skills, competences and other attributes embodied in individuals that are relevant to economic activity". This is a broad definition because it is not restricted to education but encompasses all investments in humans which are made to improve their skills. These can include schooling and parental education as well as on-the-job training and learning-by-doing (i.e., acquiring skills through work experience) or other activities that help a person put his or her skills to productive use. In addition, just like physical capital, human capital may depreciate (as people forget what they have learned and as certain abilities deteriorate with age, for example) or become obsolete.

The education of women still remains a dilemma in Ponnani, the educationally backward area ever. Even though the girl children of Ponnani excel in their studies cannot attain any higher wing in the society and cannot go for a higher education. To save them from this pathetic state, the Department of Economics MES Ponnani College initiated a project named "*GIRLS WITH GOALS*" on 20/09/2016 at M.S.K Hall. This project aims at adopting educationally forward and economically backward girl children of the coastal area who are at their primary levels. Through this project it also opens a savings bank accounts for them for five years. In addition to these all the project organizes a full day class for the children once in a month and awareness classes for the parents once in two months. An overall progress of these children in all means is the primary objective of this project.

LOGO OF GIRLS WITH GOALS

P.G Department of Economics adopted 20 girls from three schools in Ponnani Municipality (AMLPS PONNANI, ALPS PALLAPRAM, GLPS PONNANI TOWN). Programme was inaugurated by Hon. Municipal Chairman Mohammed Kunji, Chief Guest Adv. K.P. Mariyamma. Presidential Address by Principal Dr. T.P. Abbas, Welcome by Bushara. M.V. HOD of Economics, Vote of Thanks by V.P. Saidalavi, History Dpt.
