Respected Sir/Madam,

Thank you for submitting the EoI to be a Nodal Centre of Virtual Labs initiative. It is a great pleasure to welcome MES Ponnani College on board for this mission on enhancing the prospects of virtual experiential learning.

Further, we also request you to identify and nominate one faculty member from each relevant science department at the College as a department level coordinator of the Virtual Labs project, who shall constitute the core team along with the Nodal Centre Coordinator already identified and nominated as per the Eol to coordinate activities pertaining to Virtual Labs at the NC and liaison with the Virtual Labs team at NITK Surathkal on a regular basis. The Nodal Centre Coordinator proposed has also been looped into this email, and we thank Nusrath Ma'am for joining the Virtual Labs FDP by GCE Kannur, co-organized by NITK Surathkal and taking up this initiative at MES Ponnani College.

As a Nodal Centre (NC), Virtual Labs team of the NITK Surathkal will provide the basic training and support to the faculty members, who shall further train the students. The training objective will be to have hands-on experience for the effective usage of Virtual Labs platform in the teaching learning process. The students and faculty members may be trained online over video conferencing on an immediate basis considering the persisting situation, and in future we may organize face-to-face sessions at your institute and also explore options to experience and collaborate with the facilities and projects at the Centre for System Design, the transdisciplinary research and consultancy centre of the institute that undertakes several projects including the Virtual Labs.

In this regard, we shall identify a mutually convenient date and time for an introductory webinar on Virtual Labs for all faculty members at all campuses of the University from science and engineering domains so that the Virtual Labs facility can be productively used by the faculty members to engage their students in different courses on the remote virtual experiential learning mode. Kindly inform us your preferences on choice of date/time slots via reply email or this form.

Kindly revert to us in case of any queries or clarifications in this regard.

Greetings from MES Ponnani College.....

It's our great pleasure to request you to set up a Virtual Lab Nodal Centre of your esteemed institution in our college.

Established in 1968 by Muslim Educational Society (MES) - one of the largest educational agencies in Kerala, M E S Ponnani College, has been spearheading the historical mission, of emancipating the economically and educationally backward people of the demoted section of Malappuram district.

MES Ponnani College, a Government Aided College affiliated to the University of Calicut, stands as the beacon of higher education, which steers academically browbeaten environs in its voyage towards knowledge. Started in 1968, the college could stride myriad rungs of feats and escalations in this elfin span of time. Being the only higher education centre situated between Tirur and Guruvayoor in the coastal belt of Malappuram District, the college has set out a great voyage to lead a community, which was ensnared in the whirlpool of ignorance and had plunked in to the unfathomable trench of neglect, to the green shores of learning. College plays a pivotal position in radiating the light of knowledge to an educationally backward region, which had been carved in the anals of history as "Al-Ilmu Ponnani" (Ponnani the Centre of Knowledge).

At present the College provides higher education to more than 1400 students in 5 Post Graduate, 10 Under Graduate and 3 Research Programmes. Our Research centre includes 1) Physics 2) Geology and 3) Aquaculture. The institution has state-of-the-art infrastructure that goes a long way in meeting the requirements for the academic activities.

It gives us great pleasure and we will be highly obliged if you consider our request and take necessary steps to set up the Virtual Lab Nodal Centre in our college. Kindly go through the Expression of Interest for setting up the Virtual Lab Nodal Centre, attached herewith.
